STANDARD FEES & CHARGES

STANDARD CONNECTION A standard fee is payable for all connection applications as per the current version of the Solo Water Pricing Schedule that is available FEE: to view and download at www.solowater.com.au/downloads.

We will contact the applicant and provide an invoice for payment when this form is processed.
Payment methods include Credit Card or Direct Deposit.

PLEASE NOTE:

Only complete application forms will be accepted. Incomplete applications will need to be resubmitted.
Applications must be submitted via email to info@solowater.com.au.
Included in the connection fees, Solo Water will supply the drinking water meter and recycled water meter for installation by your licenced plumber.
All plumbing inspections required under the Plumbing & Drainage Act and Fair Trade rules are the responsibility of Lake Macquarrie City Council.
Please contact Solo Water one week prior to commencing work onsite to arrange builder induction and supply of drinking water meter.
Please contact Solo Water one week prior to making the sewer connection to arrange for Solo Water to witness the sewer connection.
Please contact Solo Water at the end of house construction to arrange final inspection, witness of cross connection test and issue of recycle water meter for installation by your licenced plumber.
For more information on the connection process visit www.solowater.com.au/downloads, or contact us on 1300 SOLO WU (1300 7656 98)
If the owner or occupier has any special or life critical water needs please advise Solo Water in writing prior to the house being occupied.
Once water meters are installed the owner will be charged drinking water and recycled water usage charges as per Solo Water's Pricing Schedule that can be downloaded from www.solowater.com.au/downloads.
